DETAILED ACTION

Election/Restrictions

1. Applicant's election without traverse of species V, figure 5, claims 1-8, 10-15 in the reply filed on March 31, 2005 is acknowledged.
2. Claim 9 is withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected species, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on March 31, 2005.
3. However, upon examination of the instant application, the examiner found that claims 1, 11 and 15 are generic and allowable. Accordingly, the restriction requirement as to the encompassed species is hereby withdrawn and claim 9 is directed to the nonelected species is no longer withdrawn from consideration since all of the claims to this species depend from or otherwise include each of the limitations of an allowed generic claim.

Drawings

4. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application, see Notice of Formal Drawing mailed on June 2, 2004. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.
5. The drawing is objected to because in page 3 of the drawings, there is no figure number for a figure above figure 4.

Specification

6. The specification is objected to because there is no Brief Description for a figure above figure 4 in page 3 of the drawing. Correction is required. See MPEP § 608.01(b).

Allowable Subject Matter

7. Claims 1-15 are allowed.
8. This application is in condition for allowance except for the above formal matters. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
